

Want to win \$5,000 for college? All you need is a video camera.

We're teaming up with Carducator (our own quirky superhero) and credit unions across the Northeast to offer Get Carducated, a video contest that gives young adults a chance to share their ideas about responsible debit, credit & ATM card use—and win great prizes!

Who can enter:

Get Carducated is open to anyone between the ages of 16 and 21 who: is currently attending college or will be attending by October 2012; has access to a video camera; and has an opinion about using debit, credit or ATM cards responsibly.

Get Carducated ends October 31, so visit www.getcarducated.com today for more information about Carducator, the contest and how to enter.
